📍 Trece Martires, PH | 📞 0927-331-5906 | ✉️ johncarlosacrosalazar@gmail.com 🌐 jc-salazar.vercel.app

Professional Summary

High-performance Lead Web Developer with 10+ years of experience engineering complex ecosystems for Singapore and Philippines. Specialist in React, Node.js, and Enterprise Quality Assurance. Proven track record in delivering mission-critical applications and leading technical teams.

Technical Skills

- **Frontend:** React, Next.js, TypeScript, Tailwind CSS, Framer Motion, Ionic, jQuery Mobile
- **Backend:** Node.js, Laravel, PHP, CodeIgniter, AWS Lambda, REST APIs
- **E-Commerce & CMS:** WordPress, WooCommerce, Magento
- **Infrastructure & Quality:** AWS (EC2, Lambda), Ubuntu Server, CI/CD, Manual/Auto QA, Git Ops

Professional Experience

Edge Digital | Lead Web Developer

2020 — 2025

- Architected the OnePeople civic ecosystem, a platform for global voting and open dialogue.
- Delivered mission-critical COVID-19 campaign sites for the Singapore government (StayPrepared initiative).
- Engineered nationwide APIs and optimized AWS serverless infrastructure for high-traffic scalability.
- Served as QA Lead, ensuring zero-defect delivery for high-stakes enterprise projects.

Breakthrough4business | Web Developer

2017 — 2019

- Built the B4B Academy social platform from the ground up.
- Developed and implemented customized social networking modules.
- Managed and optimized AWS EC2 Ubuntu server environments for production use.

Leentech Network Solution | Junior Programmer

2016 — 2017

- Developed custom Magento e-commerce solutions for a variety of clients.
- Pioneered mobile-first development strategies utilizing Ionic and jQuery Mobile.

Key Project Highlights

- **OnePeople Online:** A civic engagement platform connecting diverse perspectives through global referendums.
- **StayPrepared (Singapore):** A suite of COVID-19 response portals including Oximeter distribution, Staymasked, and Mouth Gargle initiatives.
- **Temasek Review (2022-2025):** Acted as QA Specialist for Temasek Holdings' flagship corporate digital publications, ensuring zero-defect delivery for global stakeholders.
- **Pentagreen Capital:** Corporate digital presence for clean infrastructure financing in Southeast Asia.

- **B4B Academy:** Comprehensive social networking and e-learning ecosystem.

Education & Certifications

- **Systems Architect Certification** (Precision Engineering)
- **Enterprise QA Specialist** (Temasek Holdings Flagship Reports)
